家長也敬師運動

Parents-Also-Appreciate-Teachers Drive

尊師重道是中國悠久的優良傳統文化。為持續弘揚這份美德，本會今年再度響應「家長也敬師運動」，旨在提升家長對教師工作的尊重與理解，更深刻體會教師在孩子教育中所肩負的重要角色。透過這項運動，不僅能促進家庭與學校之間的溝通協作，亦有助營造正向和諧的教育氛圍，進一步提升學生的學習成效。讓我們以感恩、尊重與支持的態度，家長與教師攜手，共同為未來開創更光明美好的教育環境，為孩子的成長奠定穩固而厚實的基礎。

Respecting teachers and valuing education is a long-standing and cherished tradition in Chinese culture. To continue promoting this virtue, we are once again participating in the "Parents Also Respect Teachers Drive" this year. The aim is to enhance parents' respect and understanding for the work of teachers and to foster a deeper appreciation of the crucial role teachers play in children's education. Through this campaign, we not only facilitate communication and collaboration between families and schools but also help cultivate a positive and harmonious educational environment, further improving students' learning outcomes. Let us join hands—parents and teachers alike—with an attitude of gratitude, respect, and support, to collectively create a brighter educational future and lay a solid and enduring foundation for our children's growth.

Parent-child BYD SkyRail Shenzhen One-day Tour

皇仁書院家長教師會於本年初成功舉辦親子旅行，是疫情後首次離港活動。家長和學生經深圳蓮塘口岸過關後，均大讚新口岸便捷。我們首先到訪大萬世居，深入了解客家歷史民俗與建築藝術。午膳後，便是本趟行程的最大亮點——參觀雲巴控制中心及乘坐比亞迪「雲巴」。團友從中了解及體驗無人駕駛技術，在雲巴上還可飽覽城市風光。這次旅程讓參加者見證國家電磁交通科技的飛躍發展，收穫豐富，人人滿載而歸。

The Parents-Teachers' Association of Queen's College recently organised a parent-child tour, the first trip outside Hong Kong since the pandemic. Participants crossed the border via Shenzhen's Liantang Checkpoint, praising its efficiency. We first visited Dawanshiju Hakka Village, where families explored Hakka history, culture, and architectural heritage. The highlight of the trip came after lunch, as we had an opportunity to tour the SkyRail OCC Centre and ride the BYD SkyRail, experiencing driverless technology while marveling at the aerial city views. The trip allowed participants to witness China's advancements in electromagnetic transport, making it an educational and memorable for all.

捐血日

Blood Donation Day

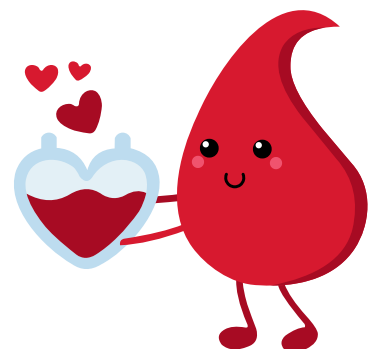

On 19 November, 2025, our organization held the "Parents' Blood Donation Day" event. A total of 20 parents attended, and 19 successfully completed their blood donations. The seamless execution of this initiative was made possible by the professional team from the Hong Kong Red Cross Blood Transfusion Service, who delivered standardized on-site services, alongside the enthusiastic engagement of participating parents.

This initiative stands as a testament to selfless dedication, while also conveying the importance of care and compassion for the community to both teachers and students. We extend our gratitude to the participating parents – their contributions have helped extend more lives. We look forward to greater parental participation in future blood donation drives, which helps maintain a stable blood supply for patients in our community.

本會在2025年11月19日舉辦的「家長捐血日」活動中，共有20名家長到場參加，其中19名家長成功捐血。是次活動得以順利完成，完全靠賴「香港紅十字會輸血服務中心」的專業人員到校提供服務，以及家長的積極參與。

這次活動既是無私奉獻的體現，也向師生傳遞了對社會的關懷與愛心。感謝家長們的參與，讓更多生命獲得延續。期待未來的捐血活動能有更多家長參與，持續為社會血庫貢獻力量。

中一自行分配學位學生面試日之家長分享

Parent sharing on S1 Discretionary Places Interview Day

2026年3月7日，本校舉行了「中一自行分配學位申請」面試日。當天，不少家長懷著既緊張又期待的心情，陪伴子女前來參與面試。爲了讓家長們更全面了解本校學生的日常校園生活，家教會當天特設了三個場地給家長們同步舉辦多場「家長分享會」。

分享會邀請了前任家教會副主席、前委員，以及多位現任委員和家長義工出席。他們仔細分享孩子在學校的成長點滴和學習經歷，並耐心解答家長的提問。現場亦播放了本會活動的精彩片段，讓大家在輕鬆愉快的氛圍中，真切體會到「家校合作無間」的精神，進一步增強了家長對孩子校園生活的信心與期待。

On 7th March 2026, our school held the "Secondary One Discretionary Place Application" student interview day. Many parents accompanied their children to the interview, feeling both nervous and excited. To provide parents with a more comprehensive understanding of our students' daily school life, the Parent-Teacher Association (PTA) specially organised multiple "Parent Sharing Sessions" simultaneously in three venues.

The sharing sessions invited the former Vice-Chairperson and former committee members of the PTA, along with several current committee members and parent volunteers. They sincerely shared stories about their children's growth and learning experiences at school, and patiently answered parents' questions. Highlights of the PTA's activities were also shown, allowing everyone to genuinely appreciate the spirit of "seamless home-school cooperation" in a relaxed and pleasant atmosphere. This further strengthened parents' confidence and anticipation regarding their children's school life.

On 27 and 28 March 2026, Queen's College held its highly anticipated annual Open Days. This year's theme, "Constellatio" (The Gathering of Stars), symbolized the homecoming of generations of QC boys, who, like radiant stars, converged at their alma mater to showcase their diverse talents and brilliance.

The solemn opening ceremony was officiated by our Guest of Honour, alumnus Mr Julian LAW Wing-chung (Honorary Adviser of Queen's College Old Boys' Association (QCOBA) and Founder and Director of Jervois One (Hong Kong) Limited), accompanied by the Principal, the President of the Old Boys' Association (QCOBA), the Chairperson of the Parents-Teachers' Association (QCPTA), as well as teachers and student representatives. Their presence marked a joyous and meaningful commencement to this grand campus event. Blessed with pleasant weather throughout the two days, the campus was further enlivened by the presence of distinguished alumni and guests from all walks of life who visited the various exhibition zones.

We extend our heartfelt gratitude to alumnus Dr CHUI Pui-chee, who once again graced us with his calligraphic rendering of the Chinese words "Queen's College"(皇仁) and "Labor Omnia Vincit" (勤有功). These works of art not only celebrate our heritage but also imbue our souvenirs with profound sentimental value. The souvenir stalls were met with an overwhelming response; among the popular items, the QC student figure keychains and tie clips were completely sold out.

In addition, the "QC DIY Magnetic Sticker Workshop" was a highlight of the event, offering participants the chance to create their own unique magnets. This innovative activity was well-received by visitors of all ages.

The success of the Open Day was also indebted to the staunch support of our parents. Over a hundred parent volunteers dedicated their time and effort across various posts, epitomizing the spirit of home-school cooperation. Their selfless service not only ensured the smooth operation of the stalls but also set a commendable example of responsibility and community service for our students.

The closing ceremony was simple yet dignified. Our Guest of Honour, alumnus Mr Elton CHAN Ho-yin (Honorary Adviser of Queen's College Old Boys' Association (QCOBA) and Director of Jardine Matheson Limited), shared his sincere insights and words of encouragement, which undoubtedly left a lasting impression on the younger brothers in attendance.

The two-day Open Days successfully strengthened the bonds between alumni, teachers, students, and parents. As participants shone in their respective roles, they perfectly illustrated the spirit of "Constellatio," bringing this year's campus festivities to a triumphant and memorable close.
